

Application for Membership

Founded in 1924, the Norfolk Jaycees is a community service and leadership development organization with members ages 21 to 40. Thanks to nearly 100-years of service in Norfolk, our alumni boast some of the most renowned names in the city.

Joining the Jaycees is a great way to meet other driven young professionals in Hampton Roads, and be able to give back to the region through organized philanthropy.

Our no pressure mentality affords young professionals the flexibility they are often looking for in a socially active community service organization. We value your time and understand that your schedule may not always afford you the freedom to attend a particular social event or community service opportunity.
